

**Organizing Committee**

**Chief Patrons**

**Thiru Andavar A Ramasamy,**  
Chairman SAEC Trust,  
Erode, India.

**Ln. K. Kalaiyarasan, MJF,**  
Secretary and Correspondent,  
Surya Engineering College,  
Erode, India.

**Patron**

**Dr. S. Manoharan**  
Principal,  
Surya Engineering College,  
Erode, India.

**Conference Chair**

**Prof. K. Senthilnathan,**  
Associate Professor and Head,  
Surya Engineering College,  
Erode, India.

**Technical Program Chairs**

**Dr. T. Muthumanickam,** Chair - IEEE  
AES Madras Section & VMKV Engineering  
College, Vinayaka Missions University,  
Salem, India.

**Dr. D. Vinoth Kumar,** IEEE AES Madras  
Section and Professor, Bio Medical  
Engineering, VMU University, India.

**Dr. R. Kanthavel,** Professor, Information  
and Computing Technology, University of  
Bisha, Saudi Arabia.

**Submission Guidelines**

Authors, shall submit the papers at the  
following Email: [info.iccmc@gmail.com](mailto:info.iccmc@gmail.com)

**Registration Fee Details**

For registration fee refer the following link  
<http://icocmc.com/2023/registration.html>

**Publication**

All registered and presented papers will be  
submitted for inclusion into IEEE Xplore.

**Venue**

Surya Engineering  
College,  
Erode, Tamil Nadu -  
638107,  
India.

**About – ICCMC**

The widespread use of mobile and wireless technologies have opened up the door for innovative computing and communication technologies that can augment the awareness of the smart and digital technologies in many different ways. Furthermore, the advent of more compact and affordable communication techniques are finding their way in our day-to-day usage application areas like mobile networks, business intelligence, smart home, remote monitoring, wearable technologies and so on. The development of new architectures, standards, and technologies are making the computing and communication technologies as much advanced as possible. ICCMC 2023 provides a research platform to initiate a deep investigation of the emerging technological advancements in the design, development, and implementation by describing them in both theoretical and practical aspects.

**About - Surya Engineering College**

Surya Engineering College(SEC), Erode, is a self-financing Engineering College, instituted in the year 2008 under the auspices of Sri Andavar Educational and Charitable Trust. Located and well developed College campus spreads over a sprawling 20 acres of land. Having well groomed academicians and leader of the corporate sphere for close to four years, Surya boasts a legacy of Excellence & Integrity. 'Ever Greater,' Surya aims at being an Engineering College with a passion for academic excellence, uncompromising human values, sensitive social conscience and an abiding commitment to improve the quality of life in organizations and society. It is these values that make Surya shine apart. The college has developed excellent facilities and resources such as well-equipped laboratories well-stacked library, dedicated computer centre, spacious classrooms and seminar halls.

**Keynote Speakers**

**Dr. N. Kumarappan**  
Chairman, IEEE Madras Section,  
Professor,  
Department of Electrical Engineering,  
Annammalai University,  
Tamil Nadu, India.

**Dr. T. Muthumanickam,**  
Chair - IEEE AES Madras Section & VMKV Engineering College,  
Vinayaka Missions University,  
Salem, India.

**Dr. R. Harikumar**  
Professor, Department of ECE,  
Bannari Amman Institute of Technology,  
Sathyamangalam, India.

**Call for Papers**

**Cloud Based Communication**

Cloud-Based Multimedia Content Sharing Network  
Advanced Network Architecture Design for Cloud-Based Multimedia Delivery  
Cooperative Schemes for Cloud-Based Multimedia Communications  
Resource Management and Qos/Qoe Provisioning for Media Cloud  
Data Security, Privacy and Reliability for Media Cloud  
Transmission Standardization Activities Related to Media Cloud

**Computing in Healthcare**

Network Infrastructures, Architectures, and Protocols for E-Health  
Pervasive Healthcare Systems  
Big Data in Healthcare  
Parallel and Distributed Systems in Healthcare  
Data Mining in Healthcare

**Intelligent Computing Systems and their Applications**

Artificial Neural Networks  
Fuzzy Systems, Genetic Algorithms  
Machine Learning and Data Systems  
Intelligent Computing System Architectures  
Intelligent System Natural Language Processing  
Soft Computing Approach  
Network Approaches to Big Data Science  
Bio-Inspired Intelligent Computing

**Data Communication and Computer Networking**

Cryptography and Networks  
High Speed Networks  
Mobile Computing  
Mobile Networks & Wireless LAN  
Optical Networking  
Network Based Applications  
Next Generation Web  
Wireless Networks

**VLSI Design and Automation**

Communication Circuits  
Device/Circuit Simulation  
Digital Circuits and ASIC  
Electronic System Level Design  
Embedded Systems & VLSI  
Low Power CMOS Design  
Logic Synthesis and Physical Design  
MEMS and Sensors Design  
RF, Analog & Mixed-Signal Circuits
