

8TH INTERNATIONAL CONFERENCE ON COMPUTING METHODOLOGIES AND COMMUNICATION (ICCMC 2024)

22-23, OCTOBER 2024

About College

Surya Engineering College (SEC), Erode, is a self-financing Engineering College, instituted in the year 2008 under the auspices of Sri Andavar Educational and Charitable Trust. Located and well developed College campus spreads over a sprawling 20 acres of land.

Having well groomed academicians and leader of the corporate sphere for close to four years, Surya boasts a legacy of Excellence & Integrity. 'Ever Greater,' Surya aims at being an Engineering College with a passion for academic excellence, uncompromising human values, sensitive social conscience and an abiding commitment to improve the quality of life in organizations and society. It is these values that make Surya shine apart.

The college has developed excellent facilities and resources such as well-equipped laboratories well-stocked library, dedicated computer centre, spacious classrooms and seminar halls.

ICCMC 2024

ICCMC, now in its 8th year, will be held in Tamil Nadu (India), during 22-23, October 2024, as an international conference with a theme on "Impact of Artificial Intelligence in Networking and Digital Connectivity". Being an annual scholarly event hosted by Surya Engineering College (SEC), ICCMC is constantly serving as a platform to discuss the research progress in mobile computing and communication systems research. Artificial Intelligence is constantly at the forefront of Information and Communication Technologies (ICT) Research, and has found its application in many commercial systems such as distributed sensor systems, ambient intelligence and smart cities. ICCMC particularly welcomes the emerging research work on methodologies and techniques that bridge the theoretical and empirical research gap in all the computing and communication domains.

Publication

All accepted and presented papers in this ICCMC 2024 will be recommended for inclusion in Communications in Computer and Information Science Springer Series

Call for Papers

Track – 1 | Experiential Intelligence in User-Centric Networking

- AI-driven user-centric networking
- Personalized content delivery using AI
- Context-aware networking and ambient intelligence
- Human-centric AI interfaces for networking
- AI-driven augmented and virtual reality
- Emotional intelligence in human-AI collaboration
- Adaptive user experience through deep learning

Track – 2 | Cognitive Networks for Autonomous Connectivity

- Reinforcement learning for self-optimizing networks
- Explainable AI in autonomous decision-making
- Swarm intelligence in network resource allocation
- Federated learning for edge intelligence
- Self-healing and self-configuring network architectures
- Quantum-inspired algorithms for network optimization
- Bio-inspired networking models and Neuro-inspired computing

Track – 3 | Next-Generation Communication Technologies

- 5G and AI synergy for enhanced connectivity
- AI applications in software-defined networking
- Virtualization and AI in communication networks
- Blockchain and AI for secure communication
- Quantum computing and communication
- AI driven network security analytics
- Cognitive radio networks
- AI-driven network slicing
- Collaborative intelligence in communication systems

Executive Chairs:

Thiru Andavar A Ramasamy
Chairman SAEC Trust,
Erode, TN, India.

Conference Chair:

Prof. K. Senthilnathan,
Associate Professor and Head,
Surya Engineering College,
Erode, India.

Program Chair:

Dr.S.R.Boselin Prabhu
Associate Professor,
Surya Engineering College,
Erode, Tamilnadu, India.

Program Committee Chairs:

Dr. S.R. Boslin Prabhu, Surya Engineering College(SEC), Erode, India.

Dr. T. Muthumanickam, Chair - IEEE AES Madras Section, India.

Dr. D. Vinoth Kumar, VMU University, India.

Dr. R. Kanthavel, University of Technology (Govt), Lae, Papua New Geneva.

Prof. M. M. Arun Prasath, Surya Engineering College, Erode, India.

Local Arrangement Chairs:

Prof. M. M. Arun Prasath, Associate Professor & HOD / ECE, Surya Engineering College, Erode, India.

Prof. K. Senthilnathan, Assistant Professor / EEE, Surya Engineering College, Erode, India.

Prof. K. Abhilash, Assistant Professor / EEE, Surya Engineering College, Erode, India.

Prof. M. Gobalakrishnan, Assistant Professor / ECE, Surya Engineering College, Erode, India.

Committee

Advisory Committee Members:

Dr. Sivaram Rajeyyagari, Shaqra University, Ministry of Higher Education, Kingdom of Saudi Arabia.

Dr. P. Thangam, King Abdulaziz University, Jeddah, Kingdom of Saudi Arabia.

Dr. Pascal Lorenz, University of Haute Alsace, France.

Prof. Dr. Paul Rodrigues, King Khalid university, Saudi Arabia.

Dr. Ivan Izonin, Lviv Polytechnic National University, Ukraine.

Prof. Marcelo Sampaio de Alencar, President of the Institute for Advanced Studies in Communications (Iecom), Brazil.

Dr. R. Dhaya, King Khalid University, KSA.

Dr. Sandeep Singh Sengar, Cardiff Metropolitan University, United Kingdom.

Dr. Arun M, Excom Member IEEE Madras Section & Assistant Professor, ECE, Panimalar Engineering College, India.

Dr. Nagarajan Velmurugan, Professor, Adhiparasakthi Engineering College, Chennai & IEEE Execom Member, IEEE Madras Section

Program Committee Members:

Dr. Marcelo Sampaio de Alencar - Institute for Advanced Studies in Communications (Iecom), Brazil.

Dr. A. Maizate - University Hassan II , Morocco.

Dr. Joy Chen - Dayeh University, Taiwan.

Dr. Nadia Abd-Alsabour - Cairo University, Egypt

Dr. Robert Bestak - Czech Technical University in Prague, Czech Republic.

Dr. Ker-Jiun Wang - University of Pittsburgh, USA.

Dr. Jue-Sam Chou - Nanhua University, Taiwan.

Paper Submission

The corresponding author of the article should submit the paper via Email to info.iccmc@gmail.com (Mentioning the subject as "New Article Submission". Articles submitted from the personal / professional email of corresponding author will ONLY be considered.
